

# RHODE ISLAND **CITIZENS FOR THE ARTS**

*Building coalition to advance Rhode Island's creative communities*

## Tell Us Your Story

### **Jobs:**

How much did your organization grow in the last year, previous years?

Do you expect to grow in coming years? If so, by how much?

How many employees do you have?

### **Education:**

How are you helping to nurture creative thinkers?

How are you filling the gaps of state funded arts education?

How much money do you raise for this?

What is your budget for arts education programs?

How many students do you serve?

What's your impact?

### **Economic Impact:**

What are your economic numbers?

How much more money do you raise to match RISCA's grant?

Do you have vendors/partners that benefit from your arts and cultural activity?

How are they impacted?

Can you get testimony?

### **Collaboration:**

How have you collaborated with other organizations?

How has that created efficiencies – saved time, expense, or resources – for you?

How has it caused more expense, time or resources?
